ABOUT THE SHRINE

Our Mission & Vision

Founded in 1907 by the Augustinian Province of Saint Thomas of Villanova, the National Shrine of Saint Rita of Cascia is a Roman Catholic community of prayer and worship deeply rooted in Augustinian spirituality. Inspired by the life of Saint Rita of Cascia, an Augustinian saint known as a healer, reconciler, and peacemaker, the Shrine seeks to inspire people from all walks of life to live these virtues as they come to know and encounter God and others.

As we deepen awareness of the message and life of Saint Rita, as well as the ministry of the Shrine locally, nationally, and internationally, we desire to grow as a place of prayerful pilgrimage, transforming sacrament, and compassionate pastoral services of encounter.

Our Team

The National Shrine of Saint Rita of Cascia, once a parish, but no longer so, is staffed by a dedicated team of lay employees and Augustinian Friars who report to the Executive Director, Mr. Jonathan Jerome. Since the Fall of 2017, the Shrine has been led by a lay director who works closely with the local Augustinian pastor of a nearby parish, and reports to the Prior Provincial and his council, who serve as the Shrine's Board of Directors.

Our Location

The National Shrine of Saint Rita of Cascia is comprised of an Upper and Lower Shrine. The Upper Shrine was completed in 1915 and serves as a gathering place for major liturgical celebrations throughout the year. The Lower Shrine was rededicated in 2000 and serves as a peaceful place of pilgrimage, prayer and reconciliation for people from throughout the world on a daily basis. The Shrine is located one mile from City Hall on Broad Street in South Philadelphia, Pennsylvania. For more information about the National Shrine of Saint Rita of Cascia, please visit:

Our Instruments & Hymnals

We currently utilize a basic, two-manual, Allen Digital Computer Organ in the Upper Shrine. It has a 32-note bass pedal board and is located in the choir loft at the rear of the church. We also have a Yamaha P-155B digital keyboard that can be utilized in the Upper or Lower Shrine. In 2021, we purchased *One in Faith* hymnals (by World Library Publications) for congregational and choir use.
